

## **Cheerful Cherubs Health and Safety Policies**

Cheerful Cherubs Preschool is committed to providing the safest environment for our children, families, and staff. We ask that our families join us to do all we can to ensure that this happens to the best of our abilities.

### **Drop-off/ Pick-up**

- Early stay drop-off begins at 8:00 and goes through 8:45.
- Parents will bring their child(ren) inside to the early stay room.
- Parents will stay in car lines at normal drop-off (8:10 for K5, 8:45 for preschoolers) but unbuckle their child and bring to the teacher waiting.
- Parents will stay in car lines at pick-up and a staff member will bring your child to you to buckle in.

### **Cleaning**

- Hand washing and hand sanitizer will be used often throughout the day.
- Bathrooms will be cleaned at the end of each day.
- Rooms and high touch areas will be cleaned and sprayed throughout the day and at the end of each day.
- Toys and books will be sprayed and washed.

## Preventive Measures

- No toys or blankets will be allowed from home.
- If your child needs a pacifier, please provide one that can stay at school.

## Sickness

- We are strongly relying on parents to help us keep everyone safe by keeping your child home when sick or even if there is a possibility of being sick.
- Parents should notify the director immediately if a child should contract a highly contagious disease.
- No fever reducing medicine can be given before coming to school.
- Any child with fever of 100.4 degrees or above or any other symptom of illness will be immediately taken out of the classroom and isolated with a staff member and parents will be contacted.
- We are relying on parents to immediately come when called.
- Your child must be symptom free for 24 hours (without any fever reducing or other medication) for any illness.
